Dear Mr. Black:

This is to advise you that the application for a Series 10 liquor license for the above-referenced business has been continued and will appear on the agenda for the formal meeting of the Phoenix City Council, scheduled for 3:00 p.m., Wednesday, October 31, 2007.

This request will be acted upon by the City Council at that time, therefore, it is suggested that you be present for the meeting should there be any questions relative to your protest of this liquor license. When you arrive at the meeting, please seek out a City Clerk representative who will be stationed near the entrance. Additionally, please fill out a speaker comment card to alert staff and the Council that you are present at the meeting.

Council meetings are held in the City Council Chambers, 200 West Jefferson Street. If you require further assistance or information, please contact License Services, located on the tenth floor of Phoenix City Hall, 200 West Washington Street, or call (602) 262-4638.

If the City Council recommends disapproval or makes no recommendation with regard to this application, the item will be set for hearing with the State Liquor Board. If the City recommends approval, the item will **not** be set for hearing unless the Director of the Arizona Department of Liquor Licenses and Control (the "Liquor Department") protests the application, or if a citizen files a request for hearing. Additionally, in order for you to participate in a Liquor Board hearing, you must file a protest with the Liquor Department within fifteen (15) days after the City Council meeting at which the item is voted upon. For additional information with regard to Liquor Department protest procedures, you may contact them directly at 800 West Washington Street, Fifth Floor, Phoenix, Arizona 85007-2934, or call (602) 542-5141.

Sincerely,
